CAADP & COUNTRY SYSTEMS

NAIP APPRAISAL

WIFI name: GIZ
Password: Leriba012

Objectives and deliverables

- To get a good understanding of the CAADP country process; Its linkages to country systems

- To support a constructive stakeholder dialogue on key hurdles and a consensus on the way forward

- To draw generic 'good practice principles' for a firmly embedded NAIP implementation

1. Country Report
2. Overall Report
3. Good Practice Principles

Study in CAADP's NAIP Appraisal Context

CAADP's Self-Assessment Segments

Country Findings Structure

1. **Policy** Segment
